To Whom It May Concern

Subject: Experience & Service Certificate

This is to certify that **Muhammad Shakaib Arsalan** was employed with **fourdevs.ai** as an **AI Developer** from **June 2025 to May 2026**.

During this tenure, he served in the AI Development team and was responsible for designing, building, and deploying AI applications and intelligent solutions. His work spanned the full development lifecycle, from concept and design through to production deployment. He worked across the full stack, developing both backend services and APIs as well as frontend interfaces to deliver complete, user-facing AI products.

In addition to his role as an AI Developer, he worked as an **AI Cloud Engineer and Full-Stack SaaS Developer**, where he was responsible for designing and developing AI-powered automation solutions, agentic workflows, cloud-native applications, and scalable SaaS products. He contributed to the architecture, development, deployment, and maintenance of cloud-based AI systems, ensuring reliability, scalability, and performance in production environments.

He had hands-on experience integrating Large Language Models (LLMs) and third-party AI services, building intelligent automation workflows, developing practical AI applications that solved real business needs, and maintaining scalable and reliable systems in production.

Shakaib consistently demonstrated strong technical ability, creativity, and a collaborative attitude throughout his time with us. We found him to be hardworking, dependable, and dedicated, and his conduct during the period of employment was excellent. He was a valued member of our team and contributed positively to the organization.

We wish Shakaib Arsalan continued success in all his future endeavors. Should you require any further information, please feel free to contact us.

Sincerely,

Muhammad Abdullah
